

Fall Foliage Underfoot
A "Change Up Your Running/Walking Routes" Challenge
October 1st - 31st

We love leaf crunching on the run (or walk), and we're so lucky to have so many perfect places to go on autumn adventures. Go on 10 different routes* in the month of October and you'll be eligible for the drawing for a **free** pair of Hoka shoes! Also, five Hoka swag bags full of cool Hoka loot will be given away!

List the 10 routes/neighborhoods/parks/trails you went on and the date for each of the outings below (or wherever/however you want to record them). To be eligible for the Hoka shoe and Hoka swag bags drawing, take a screenshot or photo of your list and email it to us at runners@fairhavenrunners.com by Sunday, November 7th.

(*This could be going to a different park, trail, neighborhood or even simply changing up the directions of a typical route.)
